

Equity Reflections – Absolute Value and Fairness in Education

Taking Action for Fairness

Choose one way to apply what you learned:

- **Encouragement Notes** → Write uplifting messages to classmates or peers who are working hard to meet goals.
- **Peer Tutoring** → Offer to help a classmate study or practice math problems.
- **Awareness Poster** → Create a visual showing why closing score gaps matters for educational fairness.

My choice is: _____

What I will do this week is: _____

Creative Box

 Draw or sketch an idea here:

- A number line showing test score distances from the equity goal.
- OR a picture of students helping each other move closer to the goal.

Anchor Quote

“Equity means giving every learner what they need to reach the goal—not assuming everyone starts from the same place.”

— *Equity in Numbers Journal*

Instructions:

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **students closing the distance together**.
