

## Equity Reflections – Fractions and Health Care

### Taking Action for Fairness

Choose one way to apply what you learned:

- **Health Drive** → Collect hygiene or first aid items for families in need.
- **Community Awareness** → Design a poster or infographic showing how unequal healthcare access affects communities.
- **Supportive Voice** → Write a short message or social media caption encouraging equal access to healthcare for all families.

### Creative Box

 Draw or sketch an idea here:

- A **fraction model** showing who has access and who does not.
- OR an image of **people helping each other receive full care.**

**Anchor Quote**

“Health justice means making sure every community has what it needs to live, grow, and thrive.”

**Instructions:**

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **health equity or care for all**.
