

Equity Reflections – How Can Schools Bridge Tech Gaps

Taking Action for Fairness

Choose one way to apply what you learned:

- **Awareness Poster** → Create a visual showing how technology access differs and why it matters.
- **Device Drive** → Collect or donate gently used laptops or tablets for students in need.
- **Math Challenge** → Create your own inequality to show how many devices are needed for schools to reach 1:1 student access.

My choice is: _____

What I will do this week is: _____

Creative Box

 Draw or sketch an idea here:

- An **inequality symbol (\geq)** showing balanced access to technology.
- OR an image of **students learning together with equal access to laptops and Wi-Fi.**

Anchor Quote

“Digital equity means every student has the technology and access they need to learn, connect, and create.”

— *Equity in Numbers Journal*

Instructions:

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **digital fairness or learning equality**.
