

## Equity Reflections – How Does Art Reflect Inclusion

### Taking Action for Fairness

Choose one way to apply what you learned:

- **Art + Math Poster** → Create a cultural pattern using transformations that represent your heritage or community.
- **Community Quilt Project** → Work with classmates to design a quilt square that includes reflection or rotation.
- **Math in Art Challenge** → Identify and label transformations in a piece of art displayed at school, home, or in your community.

### Creative Box

 Draw or sketch an idea here:

- A **rotated mosaic pattern** inspired by global designs.
- OR a **reflected quilt block** representing cultural unity.

**Anchor Quote**

“When math meets art, culture comes alive through pattern, symmetry, and imagination.”  
— *Equity in Numbers Journal*

**Instructions:**

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **art, math, or cultural identity**.
