

## Equity Reflections – How Does Learning Affect Earning

### Taking Action for Fairness

Choose one way to apply what you learned:

- **Education Poster** → Create a visual showing how learning creates opportunities for all.
- **Peer Tutor Project** → Help a classmate strengthen their academic confidence.
- **Math Challenge** → Create your own input/output table to model how other factors (like internships or transportation) impact opportunity.

### Creative Box

 Draw or sketch an idea here:

- An **input/output table** shown as a ladder of opportunity.
- OR a **roadmap** with education leading toward career and community success.

**Anchor Quote**

“Educational equity means every learner has the support, access, and opportunity to reach their full potential.”

**Instructions:**

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **education as a pathway to opportunity**.
