

Equity Reflections – What Does “Fair Testing” Mean?

Taking Action for Fairness

Choose one way to apply what you learned:

- **Awareness Graph** → Create a histogram or box plot that shows learning differences and suggest equitable solutions.
- **Study Group Project** → Partner with classmates to prepare for tests together and share strategies for success.
- **Equity Math Challenge** → Analyze your school or class data to find patterns and propose fairness-based improvements.

Creative Box

 Draw or sketch an idea here:

- Two **box plots** comparing test score ranges.
- OR a **histogram** showing equity gaps and progress toward fairness.

Anchor Quote

“Equity in education means giving every learner the tools, time, and trust they need to succeed.”
