

Equity Reflections – What Makes Some Areas More Valuable

Taking Action for Fairness

Choose one way to apply what you learned:

- **Awareness Poster** → Create a poster showing how pollution levels differ across neighborhoods and why it matters.
- **Community Clean-Up** → Join or organize a neighborhood clean-up to improve local spaces.
- **Letter of Advocacy** → Write to a local leader or environmental agency about promoting clean, healthy environments for all families.

My choice is: _____

What I will do this week is: _____

Creative Box

 Draw or sketch an idea here:

- A **proportion bar** comparing 1/10 and 4/10 pollution exposure.
- OR an image of **families enjoying clean parks, green spaces, and safe neighborhoods.**

Anchor Quote

“Environmental justice means everyone deserves clean air, safe water, and a healthy place to live.”

— *Equity in Numbers Journal*

Instructions:

1. Copy the quote neatly on the lines below.
2. Highlight or underline the word(s) that mean the most to you.
3. Add a small drawing, border, or symbol that represents **a clean and fair environment.**
